ABOUT US

We, Vishal Group an ISO 9001: 2015 accredited company offering advanced, up-to-date comprehensive and modern art of service in the filed of fabrication, erection and turnkey distillery projects.

Vishal Group was founded in the year 1990, Under the proficient guidance of Mr. Ajit M. Shete, with a mission to develop an Indian engineering & construction company that would participate in the pioneering challenge of building India's infrastructure. Vishal Group are pleased to introduce ourselves as the renowned service provider and manufacture of good quality turnkey projects and material handling equipments. Stationed at Kolhapur with up-to-date market knowledge.

OUR MISSION

Our mission is to deliver projects on time and with high quality standards, thereby continuously building on our reputation and respecting our values.

Our mission is to provide our customer cost effective quality products with latest technology, Thus satisfying every criteria.

VISION

Vishal Group aims to be the engineering, infrastructure and construction of choice by selected clients in the markets.

QUALITY POLICY

It is the policy of the Vishal Group to operate its business in a manner that consistently meets or exceeds the quality standards set by affected stakeholders - being customers, industry regulators and the communities within which the company operations are conducted.
